

SOLE SOURCE

This letter confirms that *Just Right Reader Birth to 3 Board Books* is a sole source product manufactured, sold, and distributed exclusively by Just Right Reader. Aligned directly with the components of early literacy and parent engagement, these books include a unique set of attributes, including a QR Code on the back of each book directing parents to an informative video about how to interact with their babies and promote enriched activities. The QR code is a passport to parental support that increases a child's success as an early reader.

There is no other set of Birth to 3 books on the market that would serve the same purpose or function.
