Scamp's Limp

This is Scamp. Scamp is Sask's only pet. He is soft, a bit plump, and likes to jump!

This is Sask. Scamp likes to jump in her lap.

"Would you like me to rub your neck?" Sask asks Scamp.

Scamp jumps up to bask
in the sun.

"I have a task to do. Will
you please sit here?" Sask
asks Scamp.

But Scamp will not sit.
He romps all over the
den and on Gramps's
desk.

THUMP!

"What was that?" asks
Sask.

"Scamp, you should not have been on Gramps's desk!" says Sask.

"Oh no! Do you have a limp?" asks Sask.

She gives Scamp a soft hug.

"Scamp, we should get to the vet for your limp," says Sask.

"I will ask Gramps to bring us."

"Please, will Scamp be OK?" Sask asks the vet.

"Only if he rests his leg," says the vet. "No jumping off the desk."

Scamp grins. He is Sask's champ.

Phonics Fun

Write 2 sentences using words from the word list in the book.

Comprehension

Why do you think the author had Sask bring Scamp to the vet?
