Sick Through and Through

Bradley Yarborough was sick through and through! He awoke after spending most of the night coughing.

His voice sounded rough. Even though he was sick, he got ready for school.

"It sure was tough to get up today," he thought.

Bradley Yarborough got up. He brought his teddy bear, and went slow-footed to the bathroom.

"I have a feeling today is going to be rough," he said as he coughed.

Teddy looked at him. He gave Bradley some thought.

It was true! Bradley Yarborough was sick through and through! Even Teddy thought so!

Meanwhile, Mom was downstairs making a mouthwatering pie dough in the kitchen.

She heard Bradley coughing upstairs.

"That sounds rough!" she thought to herself.

It was true! Bradley Yarborough was sick through and through! Even Mom thought so!

Bradley Yarborough made his way downstairs.

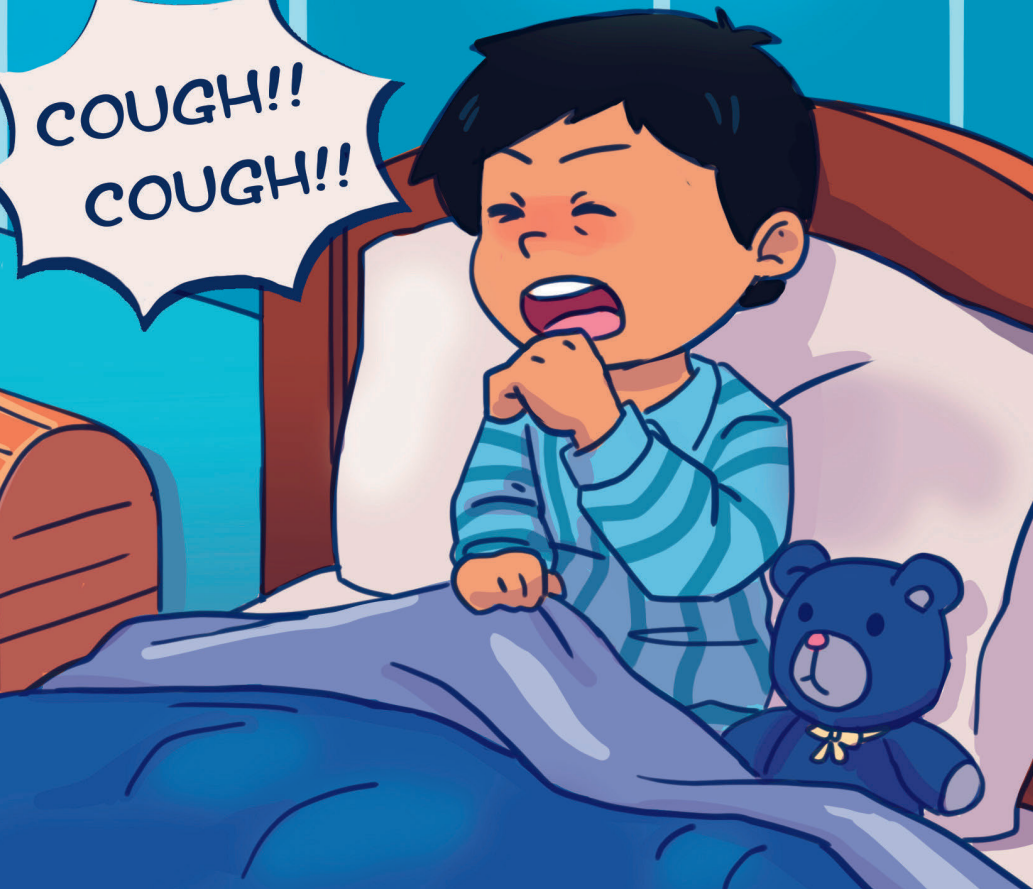

Mom thought out loud, "You've got a cough and you seem lightheaded! You're sick through and through! Today you'll stay home from school. I'll call the doctor for a thorough exam of your cough."

Bradley Yarborough coughed and coughed.

"Today is rough and tough. I have a cough and a fever. It's unmistakable. I'm sick through and through! Although I'm sick, I know what to do. I need some shut-eye because I may have the flu," thought Bradley Yarborough.

COUGH!!
COUGH!!

Dr. Willoughby checked Bradley Yarborough. She was thorough.

"I know it's tough and feels rough. But you ought to take this medicine I brought for your cough," the doctor said.

It was true! Bradley Yarborough was sick through and through! Even Dr. Willoughby thought so!

"Today was tough and rough! I have the flu and I'm sick through and through. Even though I feel run-down with a cough, I'm lucky Mom thought and brought me food," said Bradley Yarborough.

"And Dr. Willoughby to help you," smiled Mom. "Soon, you'll be back in tip-top shape!"

It was true! Bradley Yarborough would get well. Everyone thought so!

Phonics Fun

- Go on a hunt for words with ough and multisyllabic words.
- Choose a book.
- Write down 5 ough and multisyllabic words you find.
- Read the words to a partner.

Comprehension

How were the events of this book the same as the events of another book you've read?
