video about the book.

Champ went to the swamp to
look for some plump bugs.

This bug loved to romp, but it
ran too fast and got a cramp!

This plump red bug had black dots.

It would jump up and down.

Champ jumped up and down with her.

Then, Champ met a bug with
six legs.

1, 2, 3, 4, 5, 6.

His legs would clump and bump,
and go thump, thump!

Champ didn't want to mess with this grump.

"Please, bug, do you sting?"
asked Champ.

"No, I don't," said the bug. "I have a task."

This bug had long legs and wings.

Champ saw him only get his legs damp in the swamp.

"He should go for a brisk swim," Champ says to himself.

This bug was the best.

She could primp!

She pumped her limp wings and
whisked them up.

“Please,” Champ wished, “if I only
had wings!”

The last bugs had spots
stamped on them.

They slumped on a plant to
chomp and bask in the sun.

Champ should rest too!

Phonics Fun

Write 2 sentences using words from the word list in the book.

Comprehension

Why do you think the author suggested that Champ should rest at the end?

High Frequency Words

only
please

should
would
