video about the book.

"I will be with you shortly, Lamb.
Please sign in," Knox said.

Knox is practicing to be a doctor.
He is hopeful he'll be a real doctor
someday. For now, he bravely
takes care of his stuffed animals.

"What's wrong, Lamb?" Knox asked.

Knox wrote down what was wrong.

"Your wrist hurts?" Knox asked.

He looked at Lamb's wrist.

"Can you bend your wrist this way?" Knox asked.

Lamb's wrist bent.

"I can tell that's painful for you,"
Knox said, and he wrote a note.
"I'm going to wrap your wrist in
a cast."

"I know your wrist will heal quickly. Be careful with it. I will see you soon, Lamb," Knox said.

Knock, knock!

"Help, Knox!" Wright said.

"What's wrong?" Knox asked his sister.

Wright walked in holding her thumb. "My thumb hurts!"

"How did you hurt your thumb?"

Knox asked.

"I bumped it on that knob," Wright said softly.

Knox wrote a note.

"There are no signs of a bruise, yet," he said. "Does it feel numb?"

"No," Wright said.

"So, your thumb got jammed on the knob. It's painful but not numb. An ice pack will be helpful," Knox said.

Knox handed Lamb to Wright.

"Wrap your arms around Lamb. I will get the ice pack. Good job being fearless!" Knox said.

Knox came back quickly. He gently wrapped Wright's thumb.

"That's cold!" Wright wrinkled her nose.

"I know it will help!" Knox said.

"Look how helpful you are, Knox!" Mom said. "Wright, I am sorry about your thumb."

Mom knelt down and said, "Knox, we're thankful for your care. Lamb and Wright feel better because of you!"

"I'm hopeful your wrist and your thumb will heal quickly," Knox said to Lamb and Wright.

"You'll be a great doctor someday!" Mom said.

Phonics Fun

- Look at the list of words from the book.
- Write the words on cards or pieces of paper.
- Sort the words by suffixes: -less, -ful, -ly, and the silent letters kn, wr, mb, gn.

Comprehension

How would you describe Knox's traits? Why?

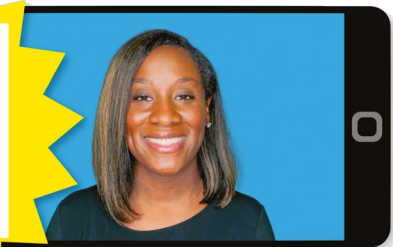

Decodable Words

bravely	painful
careful	quickly
fearless	shortly
