

SOLE SOURCE

To Whom It May Concern:

This letter confirms that *Just Right Reader Spanish Decodables* for grades Pre-Kindergarten to Second is a sole source product manufactured, sold, and distributed exclusively by Just Right Reader. *Just Right Reader Spanish Decodables* were developed by experts who ensured biliteracy remained the core of our Spanish materials. Our Spanish materials are original and beautifully illustrated. They contain a rich Spanish vocabulary, develop phonics, and support vocabulary acquisition. *Just Right Reader Spanish Decodables* have a QR code on each book, leading the reader to an engaging and informative Spanish phonics lesson. These lessons can be accessed in English as well. These lessons differentiate our product from other vendors as they support students in a classroom setting and families within the home. Caregivers are empowered with the tools they need to support at-home reading.

Rigorous Phonics Progression Specific to Spanish

We worked with leading literacy experts to develop a phonics progression specific to the Spanish language. Perfect for small group instruction and independent reading, our decodables offer structured phonics practice, leading to reading success for every student.

Support for Educators and Caregivers

We know that the caring adults in a child's life play a crucial role in their reading journey. Every Just Right Reader Spanish title comes with ready-to-go resources and practical guidance. Free professional development with Science of Reading researchers and over 50+ resources in Spanish and English equip educators, families, and caregivers to support every student's experience of reading success.

There is no other set of Spanish decodables available for purchase that would serve the same purpose or function. If you want additional information, please contact me anytime or visit our website at www.justrighreader.com.
