

Getting Started Guide

Science of Reading
Take-Everywhere Literacy Packs™

Personalized Learning, Anytime, Anywhere

How Do I Get Started?

Just Right Reader Take-Everywhere Literacy Packs™ accelerate reading achievement, make reading joyful, and connect schools with families.

Materials for distribution include backpacks, caregiver letters, and literacy packs for each child.

Scan this QR code for an inside look!

Step 1 Get Students Excited!

Tell students you have a special gift just for them!

Have students open their packs at the same time (Count down: "3, 2, 1... OPEN!").

Give students time to explore their new books. These books are theirs to keep!

Step 2

Plan to Teach with Decodables

Science of Reading Take-Everywhere Literacy Packs™

Small Group Planner

Scan the QR codes to view the lesson plans in each pack.

Using the **Small Group Planner**, match the code(s) from the **packing slip** to view the titles in each pack and arrange your small groups.

Use the “Students” space to **organize for small group instruction**.

Lesson Plans Include:

- ➔ **Phonics Skill Review:** Reinforce the target skill.
- ➔ **Guided Practice:** Follow a gradual release model.
- ➔ **Independent Reading with Formative Assessment:** Use Teacher Resources to meet students' unique needs.
- ➔ **Writing:** Writing activities help to strengthen reading skills and foster a deeper understanding of the text.

More Teacher Resources

- ★ Curriculum Alignments
- ★ Reading Workouts
- ★ Family Resources
- ★ Prompting Guide
- ★ Reading Observation Form

Step 3

Empower Families and Caregivers

Take-Everywhere Literacy Packs™
are for students to keep!

After small group instruction, students take their decodables home to **read, reread, and keep reading!**

Just Right Reader makes reading fun and accessible for all families!

- Send the **family letter** home with students.
- Encourage families to **scan the QR code** on the back of each decodable to watch the video lesson (available in multiple languages) with their child.

Resources for Families in English and Spanish

Scan the QR code for resources to engage families as partners.
