

How to Export Istation Data

1. Select Build a Report, or select an existing report from a Classroom or Campus page.
2. Select the Export Details button at the top of the screen.
3. The data from the report is downloaded as a CSV file.

If presented with the option, please be sure to include the following demographic information:

- School Name(s)
- Student Name(s)
- Student ID(s)
- Teacher Name(s)
- Grade Level(s)
- Assessment Period(s) or Date(s)
